## EXPERIENCE

### Freelancer - Self-Employed

Oakville, Canada | Jan 2020 - Present

- Designed over 10+ custom logos, cohesive brand identities, and visual storytelling materials for diverse clients.
- Delivered high-quality 3D models, sketches, and presentations, effectively communicating design concepts to clients.
- Developed cohesive colour palettes and branding strategies, leading to an average 30% increase in client visibility.
- Edited videos to enhance narrative flow, successfully improving brand storytelling and client engagement.

### UX/UI Design Intern - Co-op - Nomadic Bear Games

Ulaanbaatar, Mongolia | June 2022 - Sept 2022

- Designed high-fidelity wireframes and prototypes for web interfaces, aligning with user needs and project goals.
- Conducted usability testing and design sprints, improving user navigation and functionality by 15%.
- Collaborated with senior designers to refine designs, increasing user engagement and satisfaction.
- Successfully delivered user-friendly interface designs that streamlined navigation and improved functionality, positively impacting user engagement and satisfaction.

### Industrial Designer & PR Specialist - Kickstarter Campaign: GerTent

Ulaanbaatar, Mongolia | Jan 2020 - Nov 2020

- Designed and launched a portable, yurt-inspired tent combining traditional Mongolian craftsmanship with modern portability.
- Created all branding materials, ensuring a cohesive visual identity and public engagement.
- Conducted material and usability testing, iterating designs for optimal functionality and portability.
- Successfully raised over \$101,924, exceeding crowdfunding goals by 120% and enhancing brand reputation.
